2050 VISION AND PLAN

COMMUNITY ENGAGEMENT EVENTS

COME AND JOIN US IN SHAPING THE FUTURE OF BARRHEAD

East Renfrewshire Council is looking to create a more sustainable and resilient Barrhead. To help do this, we would like to invite you to participate in developing a masterplan for the town.

A masterplan is an overall vision for the future of an area. It's a wide-ranging strategy that guides where development should take place. Your input will help shape everything from parks and facilities to housing and transportation.

The Council is working with Kevin Murray Associates (KMA) to develop the masterplan together with your input.

You can get involved by:

- Attending the community drop-in events (see details below)
- Completing a feedback form – that can be found at the events or on the website
- Visiting the website using the QR code below or <https://rb.gy/kw3hva> to stay up to date on all things relating to the masterplan.

The following events will be held to discuss your ideas and thoughts for the future of Barrhead:
